Rubber Chemicals

PROFILE

Yasho Industries is a leading supplier of rubber additives having presence from 1985 .

We are a leading manufacturer of a wide range of rubber chemicals. Our in-house R&D team is constantly developing innovative solutions, and we are also a pioneer in the production of polymer-bound chemicals.

Mission

Our mission is to manufacture products of consistent high quality globally.

Beyond products, our customers worldwide received technical support and tailored solution to improve rubber processing.
